

The easiest way to find privacy

Every office deserves a silent space

Keep personal chats uninterrupted

Soundproof

Keep your conversations private while keeping background noise out.

Ventilation

Chatbox uses the same technology that keeps our larger phone booths ventilated, ensuring fresh air throughout your time spent inside.

Made by Silen Space acoustics specialists

Made by the team behind Silen Space, the Chatbox is a simplified version of our most popular phone booth, leaving only the essential purpose in its simplest functional form.

Quick assembly

It takes about 30 minutes for two people to assemble – and you only need one tool.

Simple assembly, simple choices

Black

Black offers a striking visual accent and attracts attention.

Left- AND right-handed door in one

You can change the door handedness at any time.

White

White is an elegant and unobtrusive choice for light-toned rooms.

Accessories? Check.

Whiteboard and screen brackets with cable management are available with Chatbox.
